CASE STUDY

Please answer all questions in a maximum of 250 words each.

Please provide concise responses based on the nominee's leadership potential, safety-related contributions, innovation and measurable outcomes during the period from 1 April 2024 to 31 March 2026.

1. Leadership potential and accountability
How has the nominee demonstrated leadership potential and accountability in improving workplace safety and health? Please highlight responsibilities handled, ownership shown, stakeholder engagement and contribution to strengthening safety culture.

2. Innovation and safety-related contribution
What safety-related improvements, solutions or innovative practices has the nominee introduced or significantly contributed to? Please include the context, approach adopted and the nominee's specific role.

3. Measurable impact and outcomes

What measurable outcomes have resulted from the nominee's contributions? Please include relevant data or examples related to safety performance, risk reduction, employee engagement, behavioural change or workplace safety culture.

Supporting Documentation:

Please provide relevant supporting documents along with the application.
