CASE STUDY

Please answer all questions in a maximum of 250 words each.

Please provide concise responses based on the nominee's leadership, contributions and outcomes during the period from 1 April 2024 to 31 March 2026.

1. Leadership, accountability and commitment
How has the nominee demonstrated leadership, accountability and commitment in advancing occupational safety, health, wellbeing and environmental excellence within the organization? Please highlight the nominee's role in strengthening safety culture, governance, stakeholder engagement and organizational priorities.

2. Initiatives, innovation and implementation
Describe the key occupational safety, health, wellbeing, environmental or operational initiatives led or influenced by the nominee during the qualifying period. Please include the context, approach adopted, innovation introduced and the nominee's specific contribution.

3. Impact and outcomes

What measurable impact has been achieved through the nominee's leadership and contributions? Please include relevant outcomes such as improved safety performance, risk reduction, workforce engagement, culture improvement, compliance, wellbeing, environmental performance or business performance.
