13.00 – 13.40	<p>From the Frontline: Dynamic Risk Assessment with Snakes & Hazards</p> <p><i>By CJ Bierman – Founder, Snakes & Hazards Program & Pramod Havanur – Director, Straight6 India</i></p> <p>Every day, frontline employees spot hazards long before they reach a report or a risk register—yet their insight is often lost. Snakes & Hazards changes that. By bridging the gap between those who see the risks and those who set the priorities, it transforms hazard identification into a living, dynamic process that drives safer decisions at every level. Through the award-winning Snakes & Hazards program, CJ Bierman and Pramod Havanur will share a proven approach to embedding hazard awareness using behavioural insight, emotional intelligence, and analogies that stick.</p>
